# **Important Announcement Regarding MA-All-in-one Pricing Changes**

Greetings, dear readers!

It's been a while since we've had a chance to catch up, and I hope this message finds you in good spirits. Today, however, I come bearing news that necessitates our attention.

Since the inception of MA-All-in-one, our mission has remained steadfast: to provide you with a comprehensive solution at a stable and affordable price point. It's a promise I've held close to my heart, striving to deliver maximum value while keeping costs as low as possible.

However, circumstances beyond our control have necessitated a reevaluation of our pricing strategy. We've encountered unforeseen challenges in the realm of financial regulations and transaction fees, which have unfortunately impacted our ability to maintain our previous pricing model. Despite our best efforts to mitigate these challenges, we find ourselves compelled to make adjustments to our pricing structure.

Effective immediately, the cost of MA-All-in-one's license key will be adjusted to just over two euros per month.

Believe me when I say this decision was not made lightly. It pains me to deviate from our commitment to affordability. Nevertheless, it's a necessary step to ensure the sustainability of our service in the face of external challenges.

But let's not dwell solely on the negative. In times of

change, there's always an opportunity for growth and improvement. That's why I'm turning to you, our valued community, for your input. Your feedback is the lifeblood of our operation, and I invite you to share your thoughts, suggestions, and bug reports with us. Together, we can refine our existing features, explore new avenues of innovation, and ultimately, ensure that the value you receive exceeds the investment you make.

I've also taken the liberty of recording a video message to provide further context and insight into this decision. You can watch it [here](#).

In closing, let me express my sincere gratitude for your unwavering support. It's your trust and commitment that drive us forward, even in the face of adversity. Rest assured, we remain as dedicated as ever to serving you with excellence.

Thank you for your understanding, your feedback, and your continued partnership on this journey of growth and evolution.
